Please make cheques payable to Lorna Tresidder.

Note: From November until April if you wish to have the Heritage cooker/central heating on, there is a charge of £10 per day for oil.

Conditions of use for Blaenafon Cottage

Please read carefully the following conditions. The booking conditions are practical things that it is sensible to point out to the holiday maker. To protect you and to protect my property.

About Blaenafon: While every endeavour is made for the highest standard and your enjoyment everybody does have different expectations. Which is why I want to emphasise that Blaenafon is a home and not a five star hotel. It is not a conventional cottage. You can expect informality, and personal charm. But you, maybe for instance, find door that has a certain way of closing, or the hanging space or chest of drawers is in the bedroom adjoining. If you want stream linen efficiency and bland surroundings then Blaenafon is not for you. Blaenafon is a home and is furnished with antiques and in a rustic homely style that makes it a place of personal characterful and charm. It enjoys an unparelled position on the mountainside and as such has been modernised to give you the very best views. Curtains are provided at all but two of the windows as the cottage enjoys the privilege of being entirely on its own. The cottage is designed so that you are part of the countryside. On walking from your window you will have either sea views or mountain views. You may see the wild mountain horses, sheep, birds, sometimes a buzzard or rabbits.

Complaints: In the event of any complaint, this should be brought to my attention or the person who looks after the cottage IMMEDIATELY. Requests for compensation will not be considered after the holiday has ended. Any complaint will be investigated and rectified as soon as possible after notification.

Liability: Every effort is made to ensure the amenities are as advertised, however, no liability will fall upon the owner/representative should restrictions be applied in the event of flood, drought affecting the private water supply, power cuts, or any other occurrence outside their control.

Hirers Obligations: To be responsible for Blaenafon and to take reasonable care of it, to keep it clean and tidy and to replace any breakages or damage caused. To permit the owner or representative to enter the property at any reasonable time, to carry out any repairs deemed necessary to the property or equipment. That on no account are the number of persons to alter from the booking form which was signed by the hirer, without the owners consent prior to arrival. If the stream has been played in or stones moved, then it is requested that the same be left in the manner to which it was found in. No dustbin bag or plastic of any type be used to dam or stop the natural flow of water. No refuse in particular plastic bags to be deposited in the stream.

Insurance: You may care to take your own insurance out against the possibility of having to cancel your holiday.

WE ACCEPT NO RESPONSIBILITY FOR ANY INJURY OR LOSS ON THE PREMISES.
